

REMARKS

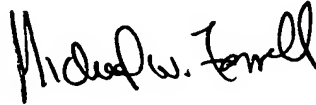

In response to the restriction requirement of March 21, 2005, applicant elects claims 1-55 for initial prosecution. This election is made with traverse for the following reasons:

1. The products of Claims 56-68 are necessarily made by the process of Claims 1-55.
2. The processes of Claims 1-55 make only those products substantially defined by Claims 56-68.
3. The products of Claims 56-68 must be made by the processes of Claims 1-55.

In view of the above, the distinctiveness requirement of MPEP §806.05 (f) is not met. Applicant respectfully requests all claims examined or in the alternative, requests rejoinder of any withdrawn claim upon allowance of a generic claim.

This response is believed timely; however if any extensions of time are required, please consider this paper a petition therefor and charge our Deposit Account No. 50-0935.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael W. Ferrell". The signature is stylized with a large, looped "M" and a cursive "W".

Michael W. Ferrell  
Attorney for Applicant
